SHIPPING UNIT OF MEASURE: BOX

CERTIFICATE OF COMPLIANCE

We hearby certify that the items delivered in this shipment have been manufactured and tested in accordance with the applicable manufacturer's specification drawings and procedures. We further certify that these items have been found to be in compliance with the specifications and procedures. All inspection results and/or test data necessary to support evidence of compliance are on file at our plant and are available for buyer's review. We recomend that, under normal use and conditions, our instruments be recalibrated annually.
