

PALMER WAHL INSTITUTE

Enrollment Form

Course: *Wahl Heat Spy Thermal Imaging Camera On-Site Course*

Class Dates: *Indicate three possible training dates and times.*

List desired training dates and time:	Camera Reviewed	Number of people to be trained.

Time of the Course: *The class is to occur within one work day. Typically 8 till 5 PM.*

What to Bring to the Course: *It is recommended that you have one Wahl Heat Spy camera available to be shared by two people. Palmer Wahl can provide additional cameras at an added cost (see below). It is also recommended for each participant to have a computer with the software loaded on it so that they can learn how to utilize the camera's software.*

Course Cost: *\$2,995 for the course for up to 10 people. Plus all travel expenses incurred by the trainer(s). Add \$100 per person for each student over 10. Optional: If additional cameras are needed for training, they are available for \$50.00 each plus freight coming and going.*

Please Print Clearly:
